

## RECRUITMENT VACANCY

GRADUATE SOC ANALYST

# GRADUATE SOC ANALYST

## KEY FACTS

LOCATION	Stevenage. Herts, UK
CONTRACT	Full time, permanent
SALARY	£ Competitive
CONTACT	<a href="mailto:people@bulletproof.co.uk">people@bulletproof.co.uk</a>

## OVERVIEW

As a junior analyst within our SOC team, you will have the exciting opportunity to ensure our clients receive the best possible service whilst protecting their business assets and security. You will help maintain and protect the company's key business assets from threats and risks by monitoring, detecting, analysing, and responding to security incidents.

You will be joining a growing team who are continually striving to out-perform their previous achievements. This is an excellent opportunity to learn from others in your team, as well as taking ownership of projects from beginning to end. In this role you will need to be very flexible in your approach and comfortable in the knowledge that the responsibilities of this role will constantly evolve as the company continues to grow and expand the services provided.

## PRIMARY RESPONSIBILITIES

- Monitor internal and customers' infrastructure to detect security events and vulnerabilities, by using various security tools, SIEM technologies and other security resources
- Analyse and investigate various security events to validate security incidents
- Proactive and reactive security incident handling and escalation to the appropriate teams
- Perform vulnerability assessments and provide findings with remediation actions
- Management, tuning and optimisation of security tools, following best practices and other performance metrics
- Respond to customers' tickets, emails and provide assistance with security-related issues efficiently and effectively
- Support a 24/7 shift pattern

## WORKING HOURS

You will work an average of 38 hours per week, on a rotating shift pattern to support 24/7 operation. Shift times are 07:00-15:00, 15:00-23:00, and 23:00-07:00.

## BULLETPROOF BENEFITS

- 25 days' annual holiday
- An additional day's annual holiday for your birthday
- Private medical insurance
- Subsidised gym membership
- Company perks platform
- Frequent team events
- Relaxed working environment
- Enhanced pension contributions

## CANDIDATE EXPECTATIONS

### KEY SKILLS

- Bachelor's Degree in Computer Science, Computer Networks, Information Security or other related technical discipline
- Strong knowledge and understanding of networking principles
- Strong knowledge of various operating systems
- Fundamental understanding of virtualisation
- Excellent spoken and written communication skills, including English language skills
- Strong analytical and problem-solving skills
- Strong influencing skills
- Excellent negotiation skills

### DESIRABLE SKILLS

- Experience in a similar role
- Experience using firewalls and IDS/IPS technologies
- Experience using SIEM technologies.

### PERSONAL ATTRIBUTES

- Passionate and interested in security and networks
- Focussed on providing great customer service
- Good communicator and listener at all levels
- Self-motivated and committed to driving their own development
- Able to juggle competing priorities and adapt in a rapidly changing and time-critical environment
- Willing to take responsibility, with a can-do attitude
- Able to think laterally and creatively
- Strong relationship management and influencing skills
- Able to work both independently and as part of a small team
- Accurate in your approach and with strong attention to detail
- Enthusiastic in the application of their knowledge

Please note that as part of the recruitment process a criminal records check will be carried out by an authorised third party.

## ABOUT US

### BULLETPROOF

#### YOUR BEST DEFENCE AGAINST CYBER THREATS

Bulletproof's innovative cyber security services are the best way to stay ahead of the hackers, take control of your infrastructure and protect your critical business data. Bulletproof's core belief is driving innovation through our range of cyber security products to deliver true value to the UK market and beyond. Key to our success is the Bulletproof SOC (Security Operations Centre). This is the command centre of our cyber security operations, home to security analysts and researchers as well as being the base of operations for our penetration testing and scanning teams, as well as our strategy/compliance consultants.

Staff are our lifeblood, and we ensure all Bulletproof team members are experts in their individual disciplines, holding relevant qualifications and certifications where appropriate. By way of example, here's a small sample of our staff and corporate certifications:

#### Bulletproof are:

- CREST approved
- Tigerscheme certified
- PCI DSS v3.2 Level 1 Service Provider
- Cyber Essential Plus certified
- ISO 27001 certified
- ISO 9001 certified

#### Our Staff are:

- CREST approved
- Certified Information Systems Security Professional (CISSP)
- Certified Information Security Manager (CISM)
- Tigerscheme Qualified Security Test Member (QSTM)
- Certified Ethical Hacker (CEH)
- ISO 27001 Implementer
- CCNA and CCNP Security

### SERVERCHOICE GROUP

Bulletproof are part of the ServerChoice Group, an organisation with over 10 years' experience in supplying cloud-based, secure services to clients across a diverse range of industries. The ServerChoice Group of companies is a market leader in providing innovative digital/IT, connectivity and security services. With decades of experience, our focus on delivering flexible world-class services means the ServerChoice Group is proud to be trusted by SMEs and multinational corporations around the world.
